

## **Workshop on Empowering School Education: Role of Innovative Library Programmes**

ADINET in collaboration with DPS, Bopal will be conducting a Workshop on 20<sup>TH</sup> January 2018 at DPS-Bopal, Ahmedabad.

### **About DPS**

DPS-Bopal, Ahmedabad is a CBSE English medium school & is committed to provide education that helps to develop children into balanced personalities, with sound values of love, kindness, devotion & service before self.

### **About ADINET**

ADINET is a Network of over 2500 Libraries and Information Centers in Gujarat. It caters to all types of Libraries: School, College, Universities, Institutional libraries and even Public libraries. The main vision of ADINET is to join Libraries, to enable them to achieve what cannot be done by one library alone.

### **About the Workshop**

The Workshop theme is:

## **Empowering School Education: Role of Innovative Library Programmes**

### **Sub-themes:**

1. Impact of Digital Age on School Library Services
2. Role of School Library in Students' Achievement
3. Role of Innovative Library Services in attaining the vision & mission of the school.

The Socio-economic & cultural development of a nation depends mainly on education & research. It is well-known that libraries play a vital role in all stages of education, especially at the Primary level, since they have a profound impact on moulding young minds.

A school Library becomes a 'source & force for educational excellence' only when it functions as an integral component of the total teaching-learning process, hence libraries & librarians do have a crucial role to play. They also have a positive impact on student achievement.

Empowering Education is an immense challenge for Librarians in today's digital era. School Libraries provide environments and opportunities for young people to develop their strengths, pursue their interests, and express their own voices. After home, the school is the first place in the voyage of education of a child.

The School Librarian can make this journey interesting by making the Library a Happening & Welcoming Place. Librarians also help to inculcate reading skills in students. A School Library is the 'Temple of Learning' and the School Librarian plays various roles like a teacher of Information Skills, an advocate for reading, a technology facilitator, a guide etc... A school library plays a great role in the life of a student & the School Librarian can help the users/students to be **Information Literate** which is an essential life skill.
